

LITERARY EVENT

B I N G O

Something "gender" something	Author's voice falls solemnly as they read each line	"Hmm" of audience approval	Arty thing in dodgy neighborhood	Author reads from iPhone
Introducing the piece takes longer than reading it	"Can everyone hear me OK?"	All the white-haired people, where do they all come from?	Millennial woe story	"marginalized groups"
"Safe space"	"I'd like to first acknowledge ..."	FREE (disgraced author) SPACE	"Just one more poem I'd like to read" - and it's 10 minutes long	Murmurs of audience disapproval
"A bit of housekeeping ..."	Trigger warning	Author reads from book full of post-its	Someone ordered a cappuccino!	Story or poem written in 2 nd person (i.e. "you")
Story about a complex relationship with one's dad	"colonialism"	"intersectional"	"cultural appropriation"	Plaid, toques and eyeglasses, oh my!
